

# MacDiarmid Access Grid Seminar

## Semiconductor Nanowires: Challenges and Opportunities

Thursday 5 November 12.15pm

---

### Professor Hongqi Xu

Nanometer Structure Consortium, Lund University, Sweden

### Abstract

To follow.

---

### Venues

Victoria University of Wellington, Room RB 106

University of Canterbury, Level 1 Psychology Building

University of Otago, Teaching Facilities, Information Services Building

University of Auckland, 23 Symonds St, Rm 411, Chemistry Building 301

**The MacDiarmid Institute**  
*for Advanced Materials and Nanotechnology*
